NOTICE TO OUR PATIENTS

It is the policy of Northlake Neurology to render treatment to all its patients. We do not, however, accept legal liability cases of any kind. This includes but is not limited to automobile accidents and /or any other type of accident in which a third party is involved.

What this means to our patients is that we expect payment at the time the services are rendered. We do not accept letters from attorneys as a promise of payment.

Northlake Neurology will gladly provide copies of medical records to aid the patient in legal proceeds as long as the patient provides a properly signed authorization to release medical form.
